An Act to make provision for the regulation of Children’s Homes, for purposes connected therewith and to amend the Adoption Ordinance

[...............................]

ENACTED by the Parliament of the United Republic of Tanzania.

1. This Act may be cited as the Children’s Homes (Regulation) Act, Short title 1968 and shall come into operation on such day as the Minister may, commencement by notice in the Gazette, appoint.

2. In this Act, unless the context otherwise requires—

“child” means a person under the age of eighteen years;

“children’s home” means any premises other than an approved school,
where five or more children being orphans or children whose relatives or guardians are unable or unwilling to care for them, are received to be cared for and maintained, either gratuitously or for payment, for a period of longer than seven days by a person who is not a relative or guardian of the children;

“licence” means a licence to carry on a children’s home issued under section 3;

“Minister” means the Minister responsible for social welfare;

3.—(1) The Commissioner for Social Welfare shall be responsible for the issue in accordance with the provisions of this Act of licences authorizing the holder of the licence to carry on a children’s home on the premises specified in the licence.
(2) A licence issued under this section—
(a) shall be issued free of charge;
(b) shall specify the maximum number of children who may at any one time be received into the home;
(c) subject to section 7, shall be valid for a period of two years and may from time to time be renewed;
(d) shall not be transferable.

(3) Every application to the Commissioner for Social Welfare for the issue or renewal of a licence under this section shall be in such form and shall contain such information as may be prescribed.

4.—(1) Upon receipt of an application under subsection (3) of section 3, the Commissioner for Social Welfare shall proceed to issue a licence to the applicant or renew the licence, as the case may be, in respect of the premises specified in the application unless he has reasonable grounds to believe—
(a) that the applicant is not a fit and proper person to carry on a children's home; or
(b) that for reasons connected with the construction, state of repair, accommodation, staffing or equipment the premises specified in the application are not fit to be used as a children's home.

(2) Notwithstanding subsection (1), where upon the commencement of this Act any person is carrying on a children's home and applies in the proper manner for a licence under section 3 within ninety days of the commencement of this Act, the Commissioner for Social Welfare shall proceed to issue to the applicant a licence in respect of the premises specified in the application but save as aforesaid all the provisions of this Act shall apply to the licence, the licensee and to the premises specified in the licence.

5.—(1) Any person who carries on a children's home without being licensed in respect thereof under this Act shall be guilty of an offence and shall be liable on conviction to a fine not exceeding two thousand shillings.

(2) Any person who manages or assists in the management of a children's home which no person is licensed to carry on shall be guilty of an offence and shall be liable on conviction to a fine not exceeding one thousand shillings.

(3) This section shall come into operation six months after the commencement of this Act.

6. The Commissioner for Social Welfare, and any person authorized in writing by him for the purpose, may at all reasonable times enter upon a children's home or any part thereof or upon premises believed upon reasonable grounds to be a children's home, for the purpose of inspecting the premises, the furniture and equipment thereof and the children resident therein and the arrangements made for their welfare.
7.—(1) Where the Commissioner for Social Welfare has reasonable grounds for believing—
(a) that the premises of a children’s home are no longer fit to be used as a children’s home; or
(b) that a children’s home is being kept in an unclean or insanitary condition; or
(c) that the provision made for the health or welfare of children who have been received into a children’s home is inadequate; or
(d) that the licensee has failed to comply with any regulation made under paragraph (c), (d) or (e) of section 10,
the Commissioner for Social Welfare may, after giving the licensee the opportunity of being heard or making representations, by notice in writing require him before the date specified in the notice to remedy, to the satisfaction of the Commissioner for Social Welfare, the defects specified in the notice.

(2) If the licensee fails to comply with the requirements of a notice under subsection (1) before the date specified therein, the Commissioner for Social Welfare, after calling upon the licensee to show cause why his licence should not be cancelled, may cancel his said licence.

8. The Commissioner, for Social Welfare, on the application of a person whose application for the issue or renewal of a licence has been refused or a person whose licence has been cancelled, shall inform such person in writing without delay of the reasons for his decision.

9.—(1) Any person aggrieved by—
(a) the refusal of the Commissioner for Social Welfare to grant or renew a licence; or
(b) the cancellation of a licence,
may, within thirty days after receiving from the Commissioner for Social Welfare notification of his decision, appeal to the Minister whose decision shall be final.

(2) Where the Commissioner for Social Welfare has cancelled a licence under section 7, the cancellation shall not have effect until the expiry of the period within which an appeal against such cancellation may be made or, if an appeal has been made, until the appeal has been determined:

Provided that, if the Commissioner for Social Welfare considers that the health of the children resident in the children’s home concerned may be endangered by their continued residence therein, he may direct, by notice in writing served on the holder of the licence, that the cancellation of the licence shall have effect on some earlier specified day.

10. The Minister may make regulations prescribing matters which are required or permitted to be prescribed or for carrying out or giving effect to the purposes and provisions of this Act and without prejudice to the generality of the foregoing may make regulations—
(a) prescribing records to be kept by licensees under this Act;
(b) requiring that returns be made and information provided by licensees to the Commissioner for Social Welfare;
(c) prescribing a minimum standard of diet to be provided to children received into children's homes;
(d) prescribing arrangements for the welfare and medical care of children received into children's homes;
(e) regulating the staffing, accommodation and equipment to be provided at children's homes;
(f) regulating the placing of children in foster homes by licensees of children's homes.

11. Section 19 of the Adoption Ordinance is amended by the addition immediately below subsection (3) of the following new subsection:

“(4) This section shall not apply to arrangements for the adoption of an infant made by officers of the Ministry responsible for social welfare acting in the course of their official duties.”.
