GUIDELINES FOR INITIAL REPORTS OF STATES PARTIES
(PREPARED BY THE AFRICAN COMMITTEE OF EXPERTS ON
THE RIGHTS AND WELFARE OF THE CHILD PURSUANT TO
THE PROVISION OF ARTICLE 43 OF THE AFRICAN CHARTER
ON THE RIGHTS AND WELFARE OF THE CHILD)
I. INTRODUCTION

1. Article 43, paragraph 1, of the African Charter on the Rights and Welfare of the Child (Children’s Charter) states that:

“Every State Party to the present Charter shall undertake to submit to the Committee through the Secretary-General of the Organization of African Unity, reports on the measures they have adopted which give effect to the provisions of this Charter and on the progress made in the enjoyment of these rights.

(a) within two years of the entry into force of the Charter for the State Party concerned; and
(b) thereafter, every three years.

2. Article 43, paragraph 2, further states that:

“Every report made under this Article shall:

(a) contain sufficient information on the implementation of the present Charter to provide the Committee with comprehensive understanding of the implementation of the Charter in the relevant country; and
(b) shall indicate factors and difficulties, if any, affecting the fulfilment of the obligations contained in the Charter.

3. The African Committee of Experts on the Rights and Welfare of the Child (the Committee) believes that the process of preparing a report for submission to the Committee offers an important occasion for conducting a comprehensive review of the various measures undertaken to harmonize national law and policy with the Children’s Charter and to monitor progress made in the enjoyment of the rights set forth in the Children’s Charter. Additionally, the process should be one that encourages and facilitates popular participation, national introspection and public scrutiny of government policies and programmes, private sector practices and generally the practices of all sectors of society towards children.

4. The Committee further considers that the reporting process entails an ongoing reaffirmation by States Parties of their commitment to respect and ensure observance of the rights set forth in the Children’s Charter
and serves as the essential vehicle for the establishment of a meaningful
dialogue between the States Parties and the Committee.

5. The Committee intends to formulate guidelines for the preparation of
periodic reports that are to be submitted pursuant to Article 43 of the
Children’s Charter in due course.

6. Reports should be accompanied by copies of the principal legislative and
other texts as well as detailed statistical information and indicators
referred to therein, which will be made available to members of the
Committee. It should be noted, however, that for reasons of economy
they will not be translated or reproduced for general distribution. It is
desirable, therefore, that when a text is not actually quoted in or
annexed to the report itself, the report should contain sufficient
information to be understood without reference to those texts.

7. The provisions of the Children’s Charter have been grouped under
different sections, equal importance being attached to all the rights and
welfare recognized by the Children’s Charter.
